Chapter 1 by Don Blake

Something was talking me, I never saw it I never heard it the only thing I knew was that it existed. Contrary to what the village thinks I'm not crazy just anxious and who wouldn't be anxious knowing you have a horrifying creature watching you're every move.

Chapter 2 by the smiling man

That creature was angry, because I didn't use the space bar.

Chapter 3 by Kawaii_Potato

But I didn't care, oh I should have cared. The monster took away my wife. I was extremely sad.

Chapter 4 by Don Blake

4 Gissuch a precious thing that you don't realise how much it meant to you until it's gone.
